MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

OCTOBER 1, 2002

As a result of the recent fires in the Angeles National Forest, as well as the continued high fire danger in the region, the United States Forest Service has determined that in order to prevent future disasters, it is necessary to close the entire Angeles National Forest. In preparation for the road closures, it is important that the County post signs on all County roads leading to Forest Service areas to ensure that residents are aware of the closure.

I, THEREFORE, MOVE that this Board of Supervisors direct the Los Angeles County Department of Public Works to develop and post signs indicating closures on all County roads leading into the Forest Service areas.
