SUPERVISOR YVONNE BRATHWAITE BURKE

RELATES TO ITEM NO. 88

October 1, 2002

In-Home Supportive Services (IHSS) workers make \$6.75 an hour—minimum wage—caring for home-bound elderly, infirm and disabled residents of Los Angeles County. They have been making \$6.75 an hour since the Personal Assistance Services Council (PASC) raised their wages in 2000.

WE, THEREFORE, MOVE that the Board of Supervisors appropriate \$18,000,000 from Provisional Financing Uses to DPSS to increase wages for IHSS workers from \$6.75 to \$7.50 an hour.
