**NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL  
EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246)**

The goals for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Goals for Minority  
Participation in  
Each Trade  
28.3%

Goals for Female  
Participation in  
Each Trade  
6.9%

These goals are applicable to all the Contractor's construction work (whether or not it is Federal or Federally assisted) performed in the covered area.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR, Part 60-4, shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR, Part 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the Contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and females evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the Contract, the Executive Order, and the regulations in 41 CFR, Part 960-4. Compliance with the goals will be measured against the total work hours performed.

The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the Contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the Contract is to be performed.

As used in this Notice, and in the Contract resulting from this solicitation, the "covered area" is the County of Los Angeles.

The Bid must provide full disclosure of False Claims Act violations and civil/criminal legal actions as provided for on the three forms included as part of the Proposal. Failure to complete these forms may result in a determination that the Bidder is nonresponsive and/or not responsible.

The Contract, if awarded, will be awarded to the lowest responsive and responsible Bidder; however, the Board of Supervisors reserves the right to reject any and all bids.

A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible contractors.

The successful Bidder will be required to submit a faithful performance bond, payment bond, liability insurance, and workers' compensation insurance with the Contract.

As provided for in Section 22300 of the California Public Contract Code, the Contractor may substitute securities for any monies withheld by the Department of Public Works to ensure performance under the Contract or enter into an escrow agreement for payment of such monies to an escrow agent.

Each person by submitting a response to this Notice Inviting Bids certifies that such Bidder and each County lobbyist and County lobbying firm, as defined by Los Angeles County Code Section 2.160.010, retained by the Bidder, is in full compliance with Chapter 2.160 of the Los Angeles County Code.
