The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF THREE AMENDMENTS TO MENTAL HEALTH SERVICES AGREEMENTS – LEGAL ENTITIES FOR FISCAL YEAR 2002-2003, APPROVAL OF A NEW MENTAL HEALTH SERVICES AGREEMENT – LEGAL ENTITY WITH PASADENA RESIDENTIAL CARE CENTER FOR FISCAL YEARS 2002-2003, 2003-2004 AND 2004-2005 AND

APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR FISCAL YEAR 2002-2003 (ALL SUPERVISORIAL DISTRICTS) (4 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Delegate authority to the Director of Mental Health to prepare, sign and execute amendments, substantially similar to Attachment I, for the three Mental Health Services Agreements Legal Entities identified on Attachment II for Fiscal Year (FY) 2002-2003. The total increase in the FY 2002-2003 Maximum Contract Amounts (MCA) of \$278,316 will be fully funded with budgeted Realignment funds of \$203,316 and an appropriation adjustment of \$75,000 funded by Federal Financial Participation (FFP) Medi-Cal. The amendments will enable the Department of Mental Health (DMH) to establish mental health programs to address the specific needs of mental health clients in Community Care Residential Facilities (CCRF) formerly served by Supplemental Rate Programs (SRP) and will be effective upon Board approval.
- 2. Authorize the Director of Mental Health to prepare, sign, and execute a new Mental Health Services Agreement Legal Entity, substantially similar to Attachment III, with Pasadena Residential Care Center (PRCC). The Agreement is for FY 2002-

2003, 2003-2004 and 2004-2005 and will be effective upon execution of the contract by the Director of Mental Health. The Maximum Contract Amount is \$60,000 for FY 2002-2003, funded by budgeted Realignment funds of \$30,000 and an appropriation adjustment of \$30,000 funded by FFP Medi-Cal, and \$180,000 for each of the subsequent fiscal years.

- 3. Approve the related Request for Appropriation Adjustment for FY 2002-2003 in the amount of \$105,000 (Attachment IV) funded by FFP Medi-Cal.
- 4. Delegate authority to the Director of Mental Health to prepare, sign and execute amendments to the existing and the new Mental Health Services Agreements Legal Entities, provided that: 1) the County's total payments to Contractor under each Agreement for each fiscal year shall not exceed a change of twenty percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; and 5) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

On June 4, 2002, your Board approved the termination of all Community Care Residential Facility (CCRF) Supplemental Rate Program (SRP) Agreements, effective July 1, 2002, and authorized DMH to develop a plan to utilize \$1,000,000 in realignment funds to address the specific needs of mental health clients in CCRFs (Attachment V).

As directed, on July 3, 2002, DMH provided your Board with a plan for assessing the needs of former SRP clients and developing a transitional and on-going means of meeting those needs within available funding (Attachment VI). In addition, the plan addressed the formation of a SRP Transition Workgroup to address and resolve issues related to the termination of the SRP, and opportunities and training made available to SRP providers to work with the Service Area stakeholders to develop a proposal for Medi-Cal reimbursable programs. Eight existing legal entities and one new agency were selected to provide the proposed SRP redirection services (Attachment VII).

Board approval is requested to amend three of the eight existing legal entity agreements as these contract amendments are not within the purview of delegated authority to the Director of Mental Health (Attachment II). The amendments will enable

DMH to fully implement the SRP redirection plan to provide rehabilitation-focused services to clients of the former SRP in Service Areas (SA) 4, 5, 7 and 8.

Board approval is also requested to enter into a new Agreement with PRCC to provide mental health services via a structured half-day rehabilitation program to clients of the former SRP in SA 3.

Appropriate amendments with five existing contractors have been made within the existing delegated authority of the Director of Mental Health (Attachment VII) to provide consumer-run activities and mental health services to clients in community residential care facilities of the former SRP in SA 1, 2, 3, 4, 5, 6, 7 and 8.

<u>Implementation of Strategic Plan Goals</u>

The recommended Board action is consistent with the County's Strategic Plan, Goal Number 1, "Service Excellence" to develop a local continuum of care, and Goal Number 4, "Fiscal Responsibility" to fully utilize the limited fiscal resources to serve mental health consumers living in residential facilities.

FISCAL IMPACT/FINANCING

There is no impact on net County cost. The Realignment funding for the SRP Redirection was approved by your Board on June 4, 2002, and \$1,000,000 has been appropriated in the DMH budget for Fiscal Year 2002-2003. Eight existing legal entities and one new agency were selected to provide the proposed SRP Redirection services (Attachment VII).

The Board actions being requested for FY 2002-03 total \$338,316 (\$278,316 to amend three contract agreements and \$60,000 to establish one new agreement), will be fully funded with budgeted Realignment funds of \$233,316 and an appropriation adjustment of \$105,000 funded by FFP Medi-Cal.

Funding for FYs 2003-2004 and 2004-2005 will be requested as part of DMH's annual Budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The SRP was funded with \$4,346,700 of Realignment revenue. On June 4, 2002 your Board approved the termination of all Community Care Residential Facility Supplemental Rate Agreements effective July 1, 2002. In conjunction with this action

your Board approved the redirection of \$1,000,000 of former SRP funding to address the needs of mental health clients formerly served by the SRP in residential facilities.

As directed by the Board, DMH provided training to SRP providers on developing Medi-Cal eligible rehabilitation-model programs. DMH then undertook a community-based planning process, assessing former SRP providers' interest in developing rehabilitation-model programs, evaluating local needs through the Service Area Advisory Committees and determining which agencies would be most able to provide services to clients in community residential care facilities. Eight agencies with existing contracts were selected through this process. The following contract actions are required for the implementation of the redirected services by these agencies; five amendments by delegated authority by the Director of Mental Health, three Board approvals for contract Amendments, and Board approval for one new Legal Entity (Attachment VII), as requested in this Board action. These agencies will provide consumer-run activities and mental health services to clients in community residential care facilities.

One former SRP facility was chosen to become a new contractor for the provision of mental health services. PRCC, a community residential care facility in the city of Pasadena serving adults with mental illnesses, is part of Robincroft Care Corporation, a family-owned business that operates a group of residential care facilities. PRCC will use the SRP redirection funds to implement a half-day rehabilitation program with the capacity to treat 36 clients. Clients will participate in this program up to six months and then be transitioned to other levels of care in order to afford maximum Service-Areawide utilization of the program. The program will be located adjacent to PRCC and will represent an important component in the Service Area's rehabilitative care continuum. DMH clinical and administrative staff are assigned to supervise and administer the Agreements, evaluate the programs to ensure that quality services are being provided to clients and ensure that Agreement provisions and Departmental policies are being followed.

The proposed actions have been reviewed and approved by County Counsel, the Chief Administrative Office, and DMH Fiscal and Program Staff. The attached formats (Attachments I and III) have been approved as to form by County Counsel.

PRCC is a certified eligible participant in the County of Los Angeles Community Business Enterprise (CBE) Program.

CONTRACT PROCESS

In accordance with the SRP Redirection Plan developed by DMH, SRP redirection funds were allocated to the Service Areas proportional to the amount of SRP funding previously allocated to each Service Area. The Service Areas utilized community planning processes to address local needs with their SRP redirection allocations (Attachment VI). The requested actions are consistent with the results of this process.

Appropriate amendments with existing providers have been made within existing delegated authority, as referenced in Attachment VII. Approval of this Board Letter will authorize additional amendments and a new agreement. The new agreement is based on a comprehensive process involving former SRP providers in the affected Service Area. PRCC, a former SRP provider, was the sole provider in the area expressing an interest in the provision of the services in question, and was unanimously recommended by the provider committee for this purpose.

As mandated by your Board, the performances of all contracting agencies are evaluated by DMH on an annual basis to ensure Contractors' compliance with all contract terms and conditions.

IMPACT ON CURRENT SERVICES

There is no negative impact on current services. The approval of the recommended services will augment the mental health service delivery system for mentally ill clients in residential care facilities formerly served by the SRP program.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer, Board of Supervisors notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

Marvin J. Southard, D.S.W. Director of Mental Health

- rates as shown on the Financial Summary. Provisional reimbursement to contractor shall be at the State established Title XXII rates for CPT codes. At cost report, provisional reimbursement will be adjusted to State approved Negotiated Rates not to exceed the rates shown on the Financial Summary and shall be considered payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary. Reimbursement shall be made only for State approved Short-Doyle/Medi-Cal claims and to the extent that funds allocated by State for County specifically for these services are available.
- (3) <u>For Organizational Providers only.</u> Provisional reimbursement shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services, actual and allowable costs for all cost reimbursed services and activities, and claimed amount for Capitated Rate, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as described in Subsection 7 of Subparagraph K (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest).

The monthly claim and subsequent payment shall be made in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph M (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not be paid by County a sum in excess of the amount determined by multiplying the SFC units as shown on MIS reports by the applicable NR for such SFC as shown on the Financial Summary for NR services and/or Contractor's actual and allowable costs of providing mental health services and Title XIX Medi-Cal Administrative Activities and/or a sum in excess of the amount determined by multiplying the Capitated Rate by the applicable enrolled individuals/members for Capitated Rate Contractors, or the Maximum Contract Amount for such Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), whichever is less, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder. Contractor may request in writing, and shall receive if requested, DMH's computations for determining any adjustment to Contractor's monthly claim.

- (3) All monthly claims shall be subject to adjustment based upon the MIS reports, EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all claims.
- (4) All monthly claims shall be based on mental health services actually provided as shown on MIS reports and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by State-approved time studies prepared or actual and allowable costs for State approved units of activities reported by Contractor. Contractor certifies that all units of services reported by Contractor into MIS are true and accurate claims for reimbursement.
- (5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal and Title IV-A Emergency Assistance FFP funds shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal and/or Title XIX Short-Doyle/Medi-Cal and/or Title IV-A Emergency Assistance SFC units provided to eligible Medi-Cal beneficiaries. EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal and Title IV-A Emergency Assistance FFP funds shall be paid by County

to Contractor only in arrears, only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal provider and/or is authorized as Title IV-A Emergency Assistance provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received EPSDT and FFP payment from State.

- (6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears and only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP payment from State.
- (7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities, and Title IV-A Emergency Assistance services. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.
- (8) Federal Medicare Partial Hospitalization services funds shall be paid by County to Contractor only for Federal-approved claims for Medicare Partial Hospitalization services SFC units provided to eligible Medicare beneficiaries. Federal Medicare Partial Hospitalization services funds shall be paid by County to Contractor only in arrears and only after County has received Federal Medicare Partial Hospitalization payment.
- (9) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, Title IV-A Emergency Assistance services FFP funds and/or Medicare Partial Hospitalization services funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities, Title IV-A Emergency Assistance services, and/or Medicare Partial Hospitalization services. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, and/or Title IV-A Emergency Assistance services and/or Medicare Partial Hospitalization services funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.
- (10) Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL

PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall be maintained in accordance with County policies and procedures and shall be for the SDMH general fund portion of the individual Contractor's EPSDT approved services.

Treatment–State General Funds) local matching funds in excess of the EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP intermediary between the Contractor and the State. Solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the state, the Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the state. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

M. Cash Flow Advance In Expectation of Services/Activities To Be Rendered:

For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or federal government(s) have not made payment, and/or such payment is less than 1/12th of the

Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3, DESCRIPTION OF SERVICES/ACTIVITIES of this Agreement, to the County and/or State and/or federal government(s), and the County and/or State and/or federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

- (1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$____5,000 ____ per month and the total Cash Flow Advance for the three (3) months shall not exceed \$15,000. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.
- (2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$0.00 per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed \$0.00 ...

(2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the federal government for services provided to EPSDT Medi-Cal beneficiaries.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part.

The time schedules and examples for County claims payment, and the 3 and 5 months Cash Flow Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to County by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.

County identifies if Contractor's units of service and State FFP & EPSDT-SGF approvals are meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time the Contractor's fiscal year's twelfth month of claims are received and processed.

Any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance County to Contractor will be disbursed in accordance with the terms and conditions of this Agreement.

Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash management of such Cash Flow Advance in a prudent manner.

- (1) For IMD, PHF and Mental Health Rehabilitation Center Contractors Only: The amount of a Cash Flow Advance payment shall be based on 95% of the average daily census for the last two months of the preceding fiscal year.
- N. <u>Maximum Monthly Payment</u>: County's Maximum Monthly Payment to Contractor for each monthly claim shall not exceed an amount determined pursuant to County policies and procedures.

The State and FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only in arrears and only after County has received State and FFP payment from State.

The FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units, and/or Title XIX Short-Doyle/Medi-Cal SFC units, and/or Title XIX Medi-Cal Administrative Activities, and/or Title IV-A Emergency Assistance services claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only in arrears and only after County has received FFP payment from State.

In order to recover CGF provided to Contractor as Cash Flow Advance pursuant to this Subparagraph N, or any amounts due to County by Contractor under this Agreement or otherwise, County shall withhold from any amounts due by County to Contractor under this Agreement or otherwise: (1) the FFP and/or EPSDT-SGF portions of total State approved Short-Doyle/Medi-Cal

claims Cash Flow Advances that are in excess of a cumulative, for each month actual State approval data has been received, 1/12 of the Maximum Contract Amount and/or (2) the FFP portion of Title XIX Short-Doyle/Medi-Cal FFP portion of Title XIX Short-Doyle/Medi-Cal SFC units and/or (3) the FFP portion of Title IV-A Emergency Assistance for State approved claims for Title IV-A Emergency Assistance SFC units and/or (4) the State and FFP portion of EPSDT Title XIX Medi-Cal for State approved claims for EPSDT Title XIX Medi-Cal SFC units and/or (5) the FFP for Title XIX Medi-Cal Administrative Activities and/or (6) the County, State and Federal portions of SFC units claimed by Contractor in MIS for non-Title XIX Medi-Cal and non-Title IV-A Emergency Assistance services. Contractor may request in writing, and shall receive if requested, DMH's computations for determining any amounts withheld.

O. Withholding of Payment For Nonsubmission of MIS and Other Information: County may withhold a maximum of ten percent of any monthly claim, if any MIS data, EOB data, RGMS report, or other information is not submitted by Contractor to County within the time limits of submission of this Agreement or if any MIS data, EOB data, RGMS report, or other information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement.

P. Annual Cost Reports:

- (1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide DMH with two copies of an accurate and complete Annual Cost Report, with a statement of expenses and revenue. The annual cost report will be comprised of a separate set of forms for the County and State for each Financial Exhibit column identified on the Financial Summary within each entity. Such reports will be due within seventy-five days following either the end of such Fiscal Year or the expiration or termination date of this Agreement, whichever occurs earlier. Each such Annual Cost Report shall be prepared by Contractor in accordance with the requirements set forth in the Short-Doyle/Medi-Cal Automated Cost Reporting System Users Manual, CR/DC Manual, RO/TCM Manual, and any other written guidelines which may be provided to Contractor by Director by June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared.
- (2) If Contractor fails to submit accurate and complete Annual Cost Report(s) by such due date, and if this Agreement is automatically renewed as provided in Paragraph 1 (TERM), then County shall not make any further payments to Contractor under this Agreement until the accurate and complete Annual Cost Report(s) is (are) submitted.
- (3) Failure of Contractor to submit accurate and complete Annual Cost Report(s) by such due date shall result in a Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the seventy-sixth day following either the end of the applicable Fiscal Year or the expiration or termination date of this Agreement and shall continue thereafter up to the one hundred and fifth day.

Contractor shall pay County according to the method described in Subparagraph U (Payments Due to County/Method of Payment).

- Q. In the event of a post-contract audit conducted by County, State, and/or Federal personnel, actual and allowable SFC units for NR services and actual and allowable costs for cost reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement is in effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns County, State, and/or Federal auditors may have under this Agreement. CR/DC Manual, RO/TCM Manual, SDMH's utilization review policies and procedures, State's Medicaid Plan, State's Title XIX Medical Administrative Activities Plan, State's Title IV-A Emergency Assistance Plan, and the Federal Health

Care Financing Administration's Health Insurance Manual Volume 15 (HIM 15) shall serve as the basic reference and authority for the audit determination of actual and allowable SFC units for mental health services and actual and allowable costs for Title XIX Medi-Cal Administrative Activities and PATH and SAMHSA services. One of the purposes of the audit determination of actual and allowable SFC units is to identify and adjust for duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings, including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the healing arts.

(2) For mental health services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any SFC units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph U (Payments Due to County/Method of Payment).

(3) For NR and CR services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any NR SFC units furnished hereunder are less than the allowable pursuant to this Agreement and/or CR services, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are less than the amounts reimbursable pursuant to this Agreement, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

- S. <u>Audit Appeals After Post-Contract Audit Settlement</u>: If Contractor appeals any audit report, the appeal shall not prevent the post-contract audit settlement pursuant to Subparagraph R (Post-Contract Audit Settlement).
- T. County Audit Settlements: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that County's dollar liability for such services and/or

administrative activities is less than payments made by County to Contractor, then the difference shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph U (Payments Due to County/Method of Payment).

If such audit finds that County's dollar liability for such services and/or administrative activities provided hereunder is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

- U. Payments Due to County/Method of Payment: Within ten days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following six payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by Contractor to County, (2) offset against prior year(s) liability(ies), (3) deducted from future claims over a period not to exceed three months, (4) deducted from any amounts due from County to Contractor whether under this Agreement or otherwise, (5) paid by cash payment(s) by Contractor to County over a period not to exceed three months, or (6) a combination of any or all of the above. If Contractor does not so notify County within such ten days, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above six payment options shall be used by County for recovery of such amount from Contractor.
- V. Interest Charges on Delinquent Payments: If Contractor, without good cause as determined in the sole judgment of Director, fails to pay County any amount due to County under this Agreement within sixty days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first day after the due date. Contractor shall have an opportunity to present to Director information bearing on the issue of whether there is a good cause justification for Contractor's failure to pay County within sixty days after the due date. The interest charges shall be: (1) paid by Contractor to County by cash payment upon demand and/or (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor whether under this Agreement or otherwise.
- W. <u>Einancial Solvency</u>: Contractor shall maintain adequate provisions against the risk of insolvency.
- X. Limitation of County's Obligation Due to Nonappropriation of Funds: Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary

restrictions which appropriate less than the amount provided for in Subparagraph B (Reimbursement For Initial Period) and Subparagraph C (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

Υ. Use of Certain Non-County Funds: A review of Contractor's expenditures and commitments to utilize any non-County funds, which are specified in this Agreement for the services hereunder and which are subject to time limitations as determined by Director, shall be conducted by County and Contractor midway through each Fiscal Year during the term of this Agreement, midway through the applicable time limitation period for such non-County funds if such period is less than a Fiscal Year, and/or at any other time or times during each Fiscal Year as requested by Director. At least fifteen days prior to each such review, Contractor shall provide Director with a current update of all Contractor's expenditures and commitments of such non-County funds during such Fiscal Year or other applicable time period. If Director, in his sole judgment, determines from such review that there will be any nonexpenditure of such non-County funds, then Director, to the extent authorized by County's Board of Supervisors, shall reduce the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure, or Director shall recommend to County's Board of Supervisors a reduction in the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure. If Director determines to reduce, or recommend a reduction in, the Maximum Contract Amount for such Fiscal Year, then Director shall notify Contractor in writing and shall provide Contractor with the revised Maximum Contract Amount for such Fiscal Year. Any reduction in the Maximum Contract Amount for the applicable Fiscal Year shall be effected by an amendment to this Agreement pursuant to Paragraph 37 (ALTERATION OF TERMS) which shall set forth the revised Maximum Contract Amount and the revised Financial Exhibit column(s) identified in the Financial Summary for such Fiscal Year.

Notwithstanding any other provision of this Agreement, the revised Maximum Contract Amount and the revised Financial Exhibit column(s) identified in the Financial Summary for such Fiscal Year shall entirely supersede the then existing Maximum Contract Amount and Financial Exhibit column(s) identified in the Financial Summary as of the date determined by Director or County's Board of Supervisors and set forth in the amendment.

- 50. <u>USE OF RECYCLED-CONTENT PAPER PRODUCTS</u>: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.
 - 51. <u>CONTRACTOR RESPONSIBILITY AND DEBARMENT</u>: The following requirements set forth in the Ordinance are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.
 - A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
 - B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Contractor may have with the County.
 - C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
 - D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
 - E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.
 - F. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors

shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors/subconsultants of County Contractors.

52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

53. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets,

Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

54. COMPLIANCE WITH JURY SERVICE PROGRAM:

A <u>Jury Service Program</u>: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

- (1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
- (2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.
- (3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

- (4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.
- 55. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the other party.

DEPUTY COUNTY CLERK

MINUTES OF THE BOARD OF SUPERVISORS COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer Clerk of the Board of Supervisors – 383 Kenneth Hahn Hall of Administration Los Angeles, California 90012

---~ Director of Mental Health

At its meeting held June 4, 2002, the Board took the following action:

55

The following item was called up for consideration:

The Director of Mental Health's recommendation to authorize the Director to prepare and execute notices of termination of \$4,346,700 of Realignment funding for Supplemental Rate Programs as of June 30, 2002, to 59 Community Care Residential Facility (CCRF) Agreements; authorize the Director to establish in Fiscal Year 2002-03 Short-Doyle/Medi-Cal programs for services to clients of affected CCRF's, and to allocate \$1,000,000 of Realignment funding to establish programs to address the specific needs of mental health clients in CCRFs, effective upon Board approval.

Supervisor Antonovich made the following statement:

"As part of the Department of Mental Health's (DMH) efforts to balance the budget for Fiscal Year 2002-03, the Director is recommending the discontinuance of its Supplemental Rate Program (SRP). This will impact Licensed board and care facilities services and activities for severely mentally ill adults and older adults with high and/or multiple needs for long-term stabilization in a community setting.

"Of the \$4.34 million County General Fund currently budgeted for this program, \$1 million is being proposed for redirection to SRP facilities that are interested and eligible to apply for Medi-Cal reimbursable services under the State Rehabilitation Option. It is anticipated that this will result in \$2 million if the County General Funds are matched with Federal Financial Participation Funds.

(Continued on Page 2)

Syn. 55 (Continued)

"With 60 SRP providers and over 1,200 mentally ill adults participating, it is essential to ensure that the needs of individuals receiving care continue to be met, and that the network of community care facilities that have provided SRP services to this population remain viable. In order to ensure that these SRPs understand how they may convert into a rehabilitation model service program, appropriate training must be conducted."

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried, the Board adopted the Director of Mental Health's attached recommendations; and instructed the Director of Mental Health to:

- Provide the Board with a plan within 30 days on how the mental health service needs of clients of existing Supplemental Rate Program (SRP) providers will be met within the proposed service reductions;
- 2. Identify how the \$1 million of County General Funds will be allocated through the Medi-Cal Rehabilitation Option;
- Provide orientation and training to SRP providers to assist as many as possible in meeting licensing and program requirements to develop rehabilitation model programs; and
- 4. Develop a definitive plan to provide this training including a timetable, subject matter, training site(s) and other participating agencies that will be involved in the facilitating the training.

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration **500 West Temple Street** Los Angeles, CA 90012

Dear Supervisors:

APPROVAL AND AUTHORIZATION FOR THE DIRECTOR OF MENTAL HEALTH TO ADJUST BUDGET AND

TERMINATE ALL SUPPLEMENTAL RATE PROGRAMS OF COMMUNITY CARE RESIDENTIAL FACILITY AGREEMENTS FOR FISCAL YEAR 2002-2003 (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

- 1. Effective upon Board approval, delegate authority to the Director of Mental Health, to prepare, sign and execute notices of termination of \$4,346,700 of Realignment funding for Supplemental Rate Programs (SRP), as of June 30, 2002, to 59 Community Care Residential Facility (CCRF) Agreements. (Attachment I)
- 2. Effective upon Board approval, delegate authority to the Director of Mental Health to establish in Fiscal Year (FY) 2002-2003 Short-Doyle/Medi-Cal Allocate \$1,000,000 of programs for services to clients of affected CCRF's. Realignment funding to establish these programs to address the specific needs of mental health clients in CCRF's.

The Honorable Board of Supervisors May 23, 2002 Page 2

PURPOSE OF RECOMMENDED ACTION

Board approval for the above actions is requested to reduce FY 2002-2003 proposed budget expenditures and to meet the Department of Mental Health's (DMH) balanced budget mandate. This will allow DMH to reallocate some fiscal resources to provide priority services to target populations, as described in DMH position paper: "Developing Strategies for Providing Public Mental Health Services under Anticipated Budget Constraints and Resource Limitations".

|mplementation of Strategic Plan Goals:

The recommended Board Action is consistent with the County's fourth goal, i.e. "Fiscal Responsibility" within the County's Strategic Plan for DMH to manage more effectively the limited resources available to the public mental health delivery system.

JUSTIFICATION:

Enacted in 1986 as a State-mandated program under SB 155, the purpose of the SRP program is to provide funding to eligible, licensed residential facilities to augment services and activities. These services and activities are geared for seriously and persistently mentally ill adults and older adults with high and/or multiple needs for long-term stabilization in the community setting. Generally, referrals to contracted SRP programs are originated from inpatient or institutional psychiatric care facilities, such as State and County hospitals, Jail Mental Health programs, and Institutions for Mental Disease (IMD's). Reimbursement for life support to SRP facilities is through SSI entitlement.

Since the realignment of mental health services from the State to Counties, the restructuring of local mental health services statewide has "sunset" many State categorically funded programs, including SRP services. In fact, Los Angeles County remains the only County to continue to operate SRP services.

The Honorable Board of Supervisors May 23, 2002 Page 3

Under the current program concept, contracted residential facilities are funded on a monthly rate for each client approved by DMH for SRP services. Each approval is based on the assessment of the client's levels of illness and functioning. Fiscally, although SRP clients are Medi-Cal beneficiaries and recipients of other federal entitlement benefits, the program is solely financed by Realignment funds without any federal or other funding matches. As a total service model, the program has no established threshold for length of stay, and does not have an evidence-based methodology to measure outcome. The stringent budgetary and program constraints currently confronting DMH, henceforth, have necessitated the recommended discontinuation of SRP services.

FISCAL IMPACT:

The approval of the recommended action to discontinue all SRP funding under existing CCRF Agreements will enable DMH to implement one of its targeted measures to meet the mandate of a balanced budget for FY 2002-2003.

FINANCING

Not applicable

FACTS AND PROVISIONS

SRP activities and services are funded with Realignment revenue. 59 CCRF Agreements provide services to approximately 1,200 mentally ill adults and older adults. The total budget allocation for FY 2001-2002 is \$4,346,700.

CONTRACTING PROCESS

DMH requested termination of SRP services has been discussed with providers, family groups, and consumer groups during the past two months at DMH Comprehensive Community Care meetings, Residential Providers meetings, and Service Area Advisory Committee (SAAC) meetings.

The Honorable Board of Supervisors May 23, 2002 Page 4

On May 20, 2002, DMH sent notifications of the intended termination to 59 CCRF Agreements. The termination of SRP Realignment funds will be implemented in the following manner:

- Non-renewal of SRP services for CCRF agreements expiring June 30, 2002:
 Number of affected `Agreements Four .
- Termination of SRP services and amendment to CCRF agreements that are not expiring by the end FY 01-02: Number of affected Agreements - Fiftyfour
- 3. Termination of SRP-only CCRF agreement effective June 30, 2002: Number of affected Agreements- One

IMPACT ON CURRENT SERVICES

Upon the approval of the recommended actions, DMH will assess the special needs and circumstances of the affected 1,200 clients. Based on the findings of these assessments, clients will be informed of alternate resources and other available services, and linked to these programs as necessary.

To augment services to clients of residential facilities, DMH intends to redirect \$1,000,000 of the \$4,346,700 for FY 2002-2003 to address specific needs of mental health clients at residential facilities. This plan will be developed through a service area based planning process, and by separate Board action requests.

The Honorable Board of Supervisors May 23, 2002 Page 5

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's actions. It is requested that the Executive Officer, Board of Supervisors notify the Department of Mental Health's Contract Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

Marvin J. Southard, D.S.W. Director of Mental Health

RESPONSE TO BOARD MOTI ON REGARDING SUPPLEMENTAL RATE

PROGRAM TERMINATION

On June 4, 2002 the Board of Supervisors approved the Department's recommendation to terminate the Supplemental Rate Program (SRP) contracts to assist in achieving a balanced budget for Fiscal Year 2002-2003. Due to concerns expressed by Supervisor Antonovich regarding the impact of the termination of these contracts on individuals. receiving care through this program and on the network of providers, a motion was approved by the Board to have the Department:

- 1. Provide the Board with a plan within 30 days on how the mental health service needs of clients of existing SRP providers will be met within the proposed service reductions;
- 2. Identify how the \$1 million of County General Funds will be allocated through the Medi-cal Rehabilitation Option;
- 3. Provide orientation and training to SRP; providers to assist as many as possible in meeting licensing and program requirements to develop rehabilitation model programs;
- 4. Develop a definitive plan to provide this training including a timetable, subject matter, training site(s) and other participating agencies that will be involved in facilitating the training.

The attached plan, which has been implemented, outlines how the Department is addressing the above issues to ensure that client service and housing needs are met for clients previously served by the Supplemental Rate Program.

COUNTY OF LOS ANGELES - DEPARTMENT OF MENTAL HEALTH

ADULT SYSTEMS OF CARE

PLAN FOR THE TERMINATION OF THE SUPPLEMENTAL RATE PROGRAM

In order to promote the most effective utilization of mental health resources in this time of fiscal constraint, the Department of Mental Health (DMH) terminated the Supplemental Rate Program (SRP) effective July 1, 2002. One million dollars of the \$4,346,700 annual SRP budget has been set aside for the development of creative and innovative programming to meet the needs of residents in residential facilities. This document addresses plans that are currently in progress for assessing the needs of former SRP clients and developing transitional and on-going means of meeting those needs with available funding. It additionally addresses the formation of a SRP Transition Workgroup to address and resolve issues related to the termination of the SRP, and opportunities and training made. available to SRP providers. to work with the Service Area stakeholders to develop a proposal for Medi-Cal reimbursable programs.

Assessment and Treatment Planning

In order to ensure that the needs of former SRP clients continue to be met in a seamless and coordinated way, Departmental staff are in the process of assessing the needs of the 1,253 clients who were receiving services from the SRP and planning on-going services to meet those needs. A clinical assessment tool was developed specifically for the purpose of determining SRP clients' needs and developing alternate service plans. This assessment tool includes an evaluation of the level of care and supervision needed for successful community living. Assessment forms were distributed to the directly operated mental health centers responsible for the oversight of SRP facilities. Case managers from mental health centers, clients, SRP staff and, when appropriate, significant others have been meeting to complete the assessments and develop plans for continued service.

Transitional and On-Going Services

Mental health services throughout the system, including directly operated and contract providers, are being utilized to ensure that the needs of SRP clients are being addressed. These services include individual and group therapy, case management, day rehabilitation, skills of daily living, money management, pre-vocational training, educational counseling, self-help groups and drop-in centers. Case managers are referring clients to appropriate resources for transitional, and where appropriate, on-going mental health services, and ensuring that clients have the ability and the means necessary to access these services.

Placement

Case managers will seek appropriate alternative placements for clients unable to remain in the facilities in which they currently reside because of staff reduction due to termination of SRP funding. Whenever possible, clients will be given several placement options, and be provided the opportunity to visit prospective residential care facilities and to exercise choice in selecting where they will live.

Notification

Clients formerly receiving SRP services were notified prior to the termination of these services by their case managers, who are assisting them in addressing the implications of this change and dealing with any emotional distress that may result from the termination of the SRP.

SRP Conversion to Rehabilitation Model Services

The Department allocated one million dollars for the development of programs to address the needs of clients formerly served by the SRP. These funds will be allocated to Service Areas and Supervisorial Districts based on the percentage of SRP clients in each geographic area as follows:

Service Area	SRP Clients	Allocation:
1	2	\$20,000
2	9	90,000
3	9	. 90,000
4	34	340,000
5	7	70,000
6	11	110,000
7	12	120,000
8	16	160,000
Total	%100	\$1,000,000

Supervisorial District	% SRP Clients	Allocation
First	21	\$210,000
Second	19	190,000
Third	26	260,000
Fourth	21	210,000
Fifth	13	130,000
Total	%100	\$1,000,000

Because of the unique needs of areas throughout the County, Service Area planning groups have been charged with the responsibility of recommending to DMH programs that should be implemented to meet the needs of clients within the overall context of the Geographic System of Care. These planning groups are comprised of mental health providers, care givers, former SRP providers, clinicians, community representatives and clients. It is anticipated that each of the eight Service Area planning groups will make their recommendations to the Department within sixty (60) days with program implementation taking place over the next six months, depending upon the required program selection process.

Training and Orientation

SRP providers were invited to attend a training and orientation session on June 24, 2002 to provide further information on the phase out of the program and instruction on the process and procedures for converting to a Medi-Cal reimbursable rehabilitation program.

This session was attended by fifty individuals representing twenty-eight residential care facilities. Issues covered included:

- Post SRP Client Care
- Service Area Coordination and Service Integration
- Service Area Planning Process

Converting SRP to Rehabilitation Option, Medi-Cal Reimbursable Services, including:

1. Description of rehabilitation option programs, including Medi-Cal certification requirements, staffing requirements, documentation and claimable services;

Plan for the Termination of the SRP July 3, 2002 Page 3

- 2. Legal entity contracting;
- 3. Agency financial viability;
- 4. Management Information System, including data entry procedures;
- 5. Cash flow advance and provider reimbursement; and
- 6. Experience shared by SRP providers that have successfully converted to rehabilitation option programs.

The above material was presented by DMH Geographic Area Managers and technical staff from Standards and Practices, Contracts Development and Administration, Chief Information Office, Financial Services and Provider Reimbursement. The Department will continue to work with and provide training and technical assistance to those agencies that are interested in providing the types of programs required to meet the needs of our client population.

SRP Transition Workgroup

In order to effect a smooth transition from SRP, and to ensure that the clinical and residential needs of all clients are met, the Department has established a SRP Transition Workgroup. This Workgroup has been assigned overall responsibility for planning and ensuring that all required activities and functions are completed for each client as well as the successful implementation of new programs as allowed by Departmental funding. The Workgroup will remain operational until all facets of the plan are completed.
